Docket #2011-515-W

I am writing to request that a local public hearing be held during the evening hours to enable members of the Foxwood community to express themselves regarding the hookup to York County Water. It is very difficult for residents to miss work and travel the distance to Columbia. There is **considerable** neighborhood interest in this matter, given the number of responses mentioned in Lisa Sparrow's letter of 25 January.

I would further like to request "Intervenor" status with right of cross examination regarding this Docket. Depending on evidence presented, 15 minutes should be largely sufficient for such intervention. For purposes of communication regarding Intervenor status, I may be reached at the following email address:
